

ABOUT Us

HISTORY

The Arthur N. Ulrich Company was founded in 1958 and today is a third generation family owned and operated manufacturer's representative agency. We specialize in the technical application and sales of high integrity prime and backup electrical power systems for critical infrastructure needs in the railroad, healthcare, financial, utility, telecommunication and data processing fields.

RAILROAD DIVISION

We have extensive experience in providing power systems for:

- Positive Train Control
- Pole Line Replacement Programs
- Track Circuit Power
- Intermediate Signals
- Highway Crossings
- Control Points
- AEI Hot Box & Defect Equipment Detectors
- Radio & Microwave Communication Systems

MEMBER ORGANIZATIONS

RAILWAY SYSTEMS SUPPLIERS, INC. (RSSI)

RSSI is a trade association serving the communication and signal segment of the rail transportation industry.

www.rssi.org

President Thomas J. Ulrich currently serves as First Vice President on the RSSI Board of Directors.

RAILWAY SUPPLY INSTITUTE

RSI acts on behalf of more than 250 of the largest manufacturers and suppliers of North American freight and passenger railroads, and their 150,000 employees.

www.rsiweb.org

President Thomas J. Ulrich currently serves as Special Trade Association Director (RSSI Representative) on the RSI Board of Directors.

RAILROAD LINE CARD

Saft Batteries

A Leader in High Technology Nickel Cadmium Batteries for Standby Applications

- **SPL Ni-Cd Batteries** - Trackside Power / Signaling
- **Sunica.plus Ni-Cd Batteries** - Renewable Energy
- **Tel.X Ni-Cd Batteries** - Telecommunications
- **Supercap NiCapacitor** - Track Switching
